In booking attendance, all attendees listed above acknowledge the following:

1. This trip caters for those in geosciences and related fields, as well as the interested geo-enthusiast.
2. Given the large size of the tour group, much accommodation will be shared in the form of multi-bed dorms or multi-room rondawels.
3. This trip takes place in a UNESCO World Heritage Site. Rock sampling is thus prohibited.
4. This trip is not suitable for young children.
